#STILE2018

The nature and role of norms and institutions are matters of active research in several academic disciplines, including (but not limited to) economics, and law. Bringing together leading scholars, in particular, from Siena, Tel Aviv and Toronto, the STILE workshop wants to promote the exchange of ideas and conversations across disciplinary boundaries in an informal style. In addition, it will offer excellent networking opportunities for future research collaborations.

List of attendees

Ben Alarie (UT)
Anita Anand (UT)
Ronen Avraham (TAU)
Oren Bar-Gill (TAU)
Filippo Belloc (University of Chieti-Pescara)
Massimo D'Antoni (UniSI)
David Gilo (TAU)
